**BUSINESS LAW SECTION**  
**STATE BAR OF TEXAS**  
**TEXAS LEGISLATIVE UPDATE**  
**March 24, 2017**

Tweet tip of the week, for witnesses appearing before the House Business and Industry Committee:

*"Using the terminology 'greedy hand of capitalism' is not a winning strategy."*

Rep. Jason Villalba

Through Thursday, over 8,300 pieces of legislation, including resolutions, have been filed. The referral process in the House is still clogged, but committees are starting to expand on the number of bills heard as the process chugs forward.

In the Senate, blockbuster floor and committee debates continued on hot button issues. This week, the focus turned to abortion and vouchers.

The budget writing process is ramping up. SB 1, the Senate's appropriations bill, will hit the Senate floor next week. SB 1 uses some accounting maneuvers to balance the budget, which were called out by Speaker Straus. The House likely will finalize its version, HB 1, using monies from the state's Rainy Day fund, rather than accounting deferrals. Ultimately, the two houses will have to get in sync, but as always, at this point in the session, they're not paying much attention to each other.

*The BLS is tracking legislation in ten (10) general subject-matter categories. Periodic updates will come in two parts, the first part, below, is a summary of pertinent bill and issues within the categories. The second part contains a detailed list of all bills being tracked within the categories.*

## **A -- Section Prepared Bills**

Bills in this category are proposed by the Texas Business Law Foundation ("TBLF").

### **Business Organization Code -- Corporations and Nonprofit Associations**

Substantive and technical amendments to the BOC developed by the BLS BOC Drafting Committee, addressing corporation, nonprofit corporation, and nonprofit association actions and matters, including share issuance, dividends, and ownership; director voting; mergers and conversions; defective act ratification; records transparency; and notice uniformity.

[SB 1518](#) (Hancock)/[HB 2827](#) (Oliveira) - The filed versions will require corrections in a committee substitute. TLC drafting in this regard continues. Senate bill referred to Business & Commerce ("B&C"). House bill filed, not yet referred.

### **Business Organization Code -- Partnerships and LLCs**

Substantive and technical amendments to the BOC developed by the BLS BOC Drafting Committee, affecting partnership, limited liability company, and series LLC actions and matters, including company and partnership agreement enforceability; officer vacancies; series LLC status; liability clarification; business names; service of process; records transparency; and winding up.

[SB 1517](#) (Hancock)/[HB 2826](#) (Oliveira) – Senate bill referred to B&C. House bill filed, not yet referred.

### **Uniform Trade Secrets Act**

Amends the TUTSA, conforming it to the federal Defend Trade Secrets Act and recent case law.

[SB 1945](#) (Hughes)/[HB 1995](#) (Elkins) - Senate bill filed, not yet referred. The House bill is set for a hearing on Monday, March 27th in the Government Transparency and Operations Committee, chaired by Rep. Elkins. Joe Cleveland will attend and provide testimony as needed.

### **Business Names**

Adopts the "distinguishable name" standard rather than the current "deceptively similar" standard in the reservation of business names, as supported by the Secretary of State.

[SB 1835](#) (Estes) /[HB 2856](#) (Villalba) - The filed versions here also will require corrections in a committee substitute. Senate bill referred to B&C. House bill filed, not yet referred.

## **B -- Business Courts**

### **Chancery Court**

[HB 2594](#) (Villalba) - Establishes a dedicated business court system in Texas to handle specific business litigation.

Filed in the House, not yet referred. A committee substitute is being prepared which will function as the working document for the initial stakeholder meeting. The meeting likely will occur in the first week of April.

## **C -- Business Entities**

### **Shareholder Oppression**

Debate continues over the need to codify certain minority shareholder protections in the wake of *Ritchie v. Rupe*. During the legislative interim, the House Business and Commerce Committee studied the issue, receiving pro and con testimony. Byron Egan, on behalf of the TBLF, presented compelling testimony that adequate remedies exist under current law and that additional codification on the subject is not needed, and likely would cause harmful uncertainty in business entity organization. B&C declined to make a recommendation on the issue.

No bill has been filed.

### **Ethics/Interests in Government Contracts**

[HB 1295](#) (Capriglione) - Amendment package to previous HB 1295 to clarify and simplify business entity compliance with the bill's required disclosures when contracting with a government entity. The bill increases the number of business entities exempt from the registration requirements (publicly traded entities and their wholly owned subsidiaries; FDIC insured institutions; certain utilities; and insurance companies). For those entities not exempt, a number of questions regarding the extent of the registration requirements remain unanswered. Additionally, the bill re-defines several terms, including "contract," in ways that add confusion regarding the requirements and adds a civil penalty (\$500 for the first day; \$100 per day thereafter to a maximum of \$10,000) for an entity that fails to file the registration or the disclosures contained therein, enforceable by the Texas Ethics Commission or the Attorney General.

Heard in General Investigating & Ethics on 3/23/17 and left pending. Variations for a committee substitute were discussed. In addition to the expected changes, it is likely that Rep. Capriglione will delete the civil penalty provisions. He underscored strong resolve to pass his version of the 1295 amendments.

[HB 1610](#) (Kuempel) – An alternative amendment package to HB 1295. This bill would apply the registration only for contracts in excess of \$10 million and simplifies the registration requirements and is favored by a number of stakeholders.

Also heard in General Investigating & Ethics on 3/23/17 and left pending. Chairman Davis laid out a committee substitute for Rep. Kuempel's version of the 1295 amendments, which perfected the much-scaled back version favored by most government entities and businesses not exempted in the Capriglione version.

### **Health Organization Corporations and Partnerships**

[SB 679](#) (Hancock)/[HB 3820](#) (Dale) - Adds chiropractors to existing authorizations for doctors of medicine, osteopathy, and podiatry to establish business entities jointly owned and controlled by those types of practitioners.

The Senate bill passed the Senate 2/22/17. The House companion has been filed, not yet referred.

### **Nonprofit Corporation Salary Disclosure**

[HB 2674](#) (Uresti) - Adds Section 22.451 to the BOC, and requires nonprofits receiving 25% or more of income from state funding to file an annual report to the SOS showing employee and officer salaries.

Referred to Business & Industry. Concerns with the bill continue. Uresti's office acknowledges the concerns, and is open to suggested changes.

### **Benefit Corporations**

[HB 3488](#) (Hinojosa) - Relating to authorizing the formation of public benefit corporations.

Filed, not yet referred. Rep. Hinojosa has expressed strong resolve to pass the measure brought to her by constituents and has suggested that the current "social purpose" authorization does not go far enough.

### **Nonprofit Corporation Audits**

[SB 2180](#) (Menéndez) - Provides an exemption for certain financial records from public inspection if a CPA has conducted an independent audit of any of the previous three fiscal years' of a NPC's finances, so long as the NPC makes available to the public a copy of the audit letter and copies of its most recent three annual reports.

Filed, not yet referred. Menendez's staff acknowledges drafting issues with the bill, and is open to suggestions. The staff advises the bill is an effort to better direct the use of limited NPC resources.

### **SOS Termination of Business Entity**

[SB 1579](#) (Garcia) - Permits SOS to terminate the existence of a domestic filing entity if a substantial owner or governing person of the entity has been convicted of human trafficking or compelling prostitution.

Referred to State Affairs. Garcia's staff acknowledges drafting issues with the bill, and is open to suggestions. The intent is to push ramifications for the criminal activity upward to businesses that might be involved.

## **D -- UCC**

Awaiting final review of filed bills and identification as to relevancy.

## **E -- Securities**

### **Self Funding Status for State Securities Board**

[HB 823](#) (Parker) - Gives the State Securities Board self-directed and semi-independent status, treating it similarly to the Texas Department of Banking.

Referred to Investments & Financial Services.

### **Activist Shareholders**

[SB 2206](#) (Hancock) - A significantly shortened version Chairman Parker's "Bring Business to Texas and Disclosure Act" referenced below. Similarly imposes disclosure requirements for certain "activist" investor actions.

Filed, not yet referred. John Fahy is reviewing.

[HB 2382](#) (Parker) - The "Bring Business to Texas and Disclosure Act". Imposes extensive disclosure requirements for certain "activist" investor actions.

Referred to Investments & Financial Services. Chairman Parker has scheduled a stakeholder meeting for Monday. John Fahy and the lobby team will attend. The Fahy letter addressing constitutional issues and technical problems was received.

### **Insider Trading by Public Officials**

[HB 1090](#) (Meyer)/[SB 140](#) (V. Taylor) - Graduated increase in criminal penalties based on pecuniary gain, for public officials convicted of insider trading.

Senate bill referred to State Affairs. House bill heard in General Investigating and Ethics, left pending.

## **F -- Financial Institutions**

### **Electronic Notarization**

[HB 1217](#) (Parker) - Establishes electronic notaries public. An initiative by the Texas Mortgage Bankers Association and others.

Referred to State Affairs. Advocates report that TBLF comments on administrative concerns are being considered in drafting a committee substitute. Modifications must be deemed workable by the SOS and title industry stakeholders.

### **Texas Revised Uniform Fiduciary Access to Digital Assets**

[SB 1193](#) (V. Taylor)/[HB 2158](#) (Parker) - Establishes procedures for the agreed administration of digital assets (electronic records in which individuals have rights or interests) by financial institutions. A REPTL initiative.

Senate bill referred to State Affairs. House bill referred to Judiciary & Civil Jurisprudence. Review by impacted BLS lawyers indicates it is a good bill.

### **Usury**

[HB 2977](#) (Longoria) - Relating to methods of computing interest charges on certain consumer loans.

Referred to Investments & Financial Services.

### **Finance Agency Regulation**

Clarifies applicable law for licensees and others operating under the Finance Code.

[SB 1530](#) (Estes)/[HB 3081](#) (Capriglione) - Relating to the regulation of persons and business activities subject to regulation by certain finance agencies.

Senate bill referred to Business and Commerce. House bill filed, not yet referred.

### **Financial Exploitation**

[SB 2067](#) (Hancock)/[HB 3921](#) (Parker) - Relating to the financial exploitation of certain vulnerable adults. These bills arise primarily from elder abuse in financial situations. The measures have been pushed extensively by the AARP and consumer groups, and present a comprehensive solution. They are the product of interim studies and industry working groups, after extensive negotiation. The bills attempt to preempt a host of separate smaller bills on the subject.

Neither bill has been referred yet.

### **Class Action Waiver**

[HB 4225](#) (Elkins) - Permits the waiver of a class action in a credit transaction or service contract.

Filed, not yet referred.

### **Credit Card Cyber Security**

[SB 1409](#) (Menendez)/[HB 2333](#) (Elkins) - Pertains to the breach of security systems of businesses that expose consumer credit card or debit card information, and imposes civil penalties on the businesses breached. Pits the independent banks and credit unions against retail businesses retaining credit card information.

Neither bill has been referred.

## **G -- Business Liability**

### **Director Liability Following Charter Revocation**

Section 171.255, Tax Code, is designed to enforce the collection of corporate taxes by the Comptroller. The tax collection tool, however, exposes directors and officers to an excessive liability for *all* corporate debts during a revocation period should taxes not be paid. Hovel v. Batzri, currently on appeal the Texas Supreme Court, supports a customary and reasonable approach as to when a debt is created under the statute. Should the Court, however, overturn the *Hovel* decision, there is concern that the uncertainty and negative impact of the statute could be significantly increased.

Awaiting action by the Texas Supreme Court.

## **Foreign Money Judgments**

[SB 944](#) (Hughes)/[HB 2122](#) (Clardy) - Adopts the Uniform Foreign-Country Money Judgments Recognition Act.

Senate bill heard in State Affairs on 3/23/17 and left pending. House bill referred to Judiciary & Civil Jurisprudence. BLS lawyer review indicates it is a good bill.

## **H -- Real Estate and Related Topics**

### **Power of Attorney**

[SB 926](#) (Rodriguez)/[HB 1974](#) (Wray) - Addresses significant modifications to the durable power of attorney provisions of Chapter 751, Estates Code, including mandatory acceptance.

Senate bill referred to State Affairs. House bill Referred to Judiciary & Civil Jurisprudence. The TBLF working team has provided revisions to Rep. Wray and REPTL. A final stakeholder meeting is pending.

## **I -- Taxation and Related Topics**

### **Franchise Tax**

Numerous bills pertaining to franchise tax reform, elimination, or cuts have been filed.

[SB 17](#) (Nelson) - The apparent Senate designated package for franchise tax change provides for a phased reduction and ultimate elimination, based on state revenue growth. Advocates project that, based on current revenues, the franchise tax would terminate in about 10 years under the bill.

Passed Senate the Senate 3/21/17.

### **Property Tax**

The Senate leadership has declared property tax reform and cuts as key components of its legislative priorities. The House has made similar representations.

[SB 2](#) (Bettencourt) - Designated package for ad valorem taxation reform, including an effective 5% cap on increases (triggers an automatic referendum).

Passed the Senate 3/22/17.

[HB 15](#) (Bonnen) - Comprehensive reform package proposed by the House. Specifies an increase cap of 4%.

Referred to Ways and Means.

## J -- Choice of Law

### Application of Foreign and International Law

Efforts to restrict the impact in Texas courts of certain perceived repugnant foreign laws or doctrines, or so called "Anti-Sharia" laws, continue. Bills could impact foreign judgment enforcement, use of foreign laws, and contractual choice of law and venue.

[HB 45](#) (Flynn) - Amends the Civil Practice and Remedies Code to prohibit application of foreign laws or contractual choice of law or venue provisions requiring foreign laws, if the foreign laws would violate rights under the U.S. or Texas constitutions.

Referred to Judiciary & Civil Jurisprudence

[HB 498](#) (Fallon) - Amends the Family Code and narrows application to marriages and parent-child relationships.

Referred to Judiciary & Civil Jurisprudence
